

Sponsorship Opportunities – CPS Conference 2026

The 5th Conference on Plasma Simulation (CPS-2026) invites industry partners, research organizations and institutions to support this global scientific event. Sponsorship offers a unique opportunity to showcase your brand, connect with leading scientists, innovators and students.

We offer the following sponsorship tiers:

1. Platinum Sponsorship

Contribution: 3 Lakh

Exclusive Benefits:

- Recognition as **Platinum Sponsor** with logo on all official banners, backdrops, conference website, brochures, and digital media.
- Company logo displayed prominently on the conference stage backdrop and registration desk.
- Opportunity to deliver a short address (5–7 minutes) during the inaugural session.
- One dedicated exhibition booth in a premium location.
- Full-page advertisement in the conference abstract booklet.
- Complimentary registration for **2 delegates with accommodation and food**.
- Company name and logo featured on conference kits.
- Inclusion of promotional material (pamphlets/flyers) in conference kits.
- Acknowledgment in all press releases and media communications.

2. Gold Sponsorship

Contribution: 2 Lakh

Benefits Include:

- Logo displayed on conference website, banners, digital media, and program booklet under **Gold Sponsor** category.
- Exhibition booth in a prime area.
- Half-page advertisement in the conference abstract booklet.
- Complimentary registration for **2 delegates with accommodation and food**.
- Acknowledgment during the inaugural and valedictory sessions.
- Inclusion of promotional material (pamphlets/flyers) in conference kits.

3. Silver Sponsorship

Contribution: 1 Lakh

Benefits Include:

- Logo displayed on conference website and banners under **Silver Sponsor** category.
- Quarter-page advertisement in the conference abstract booklet.
- Complimentary registration for **1 delegates with accommodation and food**.

- Acknowledgment during the inaugural and valedictory sessions.
- Inclusion of promotional material (pamphlets/flyers) in conference kits.

Why Sponsor CPS-2026?

- Engage with global experts, decision-makers and young researchers in plasma science and technology.
- Enhance brand visibility among academia, industries and R&D organizations.
- Showcase your products, services, and innovations to a specialized audience.
- Support scientific research, innovation, and international collaboration.
